Intellectual property

This entire website is subject to French and international copyright and intellectual property legislation. All rights of reproduction are reserved, including for downloadable documents and iconographic and photographic representations.

The reproduction of all or part of this website on electronic media of any kind is strictly prohibited, except with the express authorization of the director of publication.

The reproduction of texts displayed on this website in printed form is authorized, subject to compliance with the following three conditions:

1. That distribution is free of charge
2. That the integrity of the documents reproduced is respected, i.e. no modifications or alterations of any kind
3. That the source is clearly and legibly cited in the following manner, for example: “This document is taken from the ENTPE website at *https://www.entpe.fr*"

Any distribution or use for commercial or advertising purposes is prohibited.

The images displayed on this website are subject to copyright. They may not be duplicated or used without written authorization.

Disclaimer

While ENTPE strives to provide reliable information, the information displayed on this website is indicative only. Neither the content nor the accuracy of such information is guaranteed. Such information is not contractually binding on ENTPE.

ENTPE waives all liability for decisions taken based on such information.

The content of the website may be modified at any time without notice. Accordingly, the user acknowledges that he or she uses such information under his or her sole responsibility.

Statistical data: tracking and profiling

When you browse on the website, you leave digital traces. This set of information is collected using a cookie which doesn’t contain any personal information.

In order to improve usability, browsing within the website, editorial content and services provided to users, the statistics tool of our website stores information on users profiles: equipment, browser used, geographical origin of enquiries, date and

time of connection, browsing on the website, frequency of visits, etc. These connection data allow statistical extractions. You can disable the registration of these data by changing your browser settings, authorising or refusing cookies. You can refuse them or disable them without impact on your access to the website pages. To disable them or be warned before accepting cookies, we recommend to read the help section of your browser which will tell you the procedure to follow.

Personal data

Where data displayed on this website is of a personal nature, users must use such data in accordance with the regulations in force and the recommendations of the CNIL (the French data protection authority).

Pursuant to the French Data Protection Act of 6 January 1978, as amended, you have a right of objection (Art. 38), a right of access (Art. 39) and a right of rectification or deletion (Art. 40) with regard to data concerning you. You may exercise these rights by contacting ENTPE,

accompanied by proof of your identity:
