How to get to ENTPE

/// Want to come to ENTPE by bike ?

The Metropole de Lyon offers you a map of cycle paths on Onlymoov, and you can calculate your cycling itinerary with Géovélo.
Find out more about getting around on the Métropole de Lyon website.

ENTPE has 2 bicycle shelters, protected from the rain but not guarded.
There is also a Vélo'v station on rue Maurice-Audin, at the foot of the Charlie-Chaplin

cultural center and close to the town hall.

>> From Part Dieu and south of the conurbation

A cycle path runs along the T3 tramway line from Part Dieu station to La Soie station and beyond. The cycle path crosses the canal at Pont de la Soie, continues along avenue Paul Marcellin to the east of the campus and then along avenue Salvador Allende to the north.
Estimated time: 30 minutes from the station.

>> From Part Dieu and the Brotteaux district

A cycle track / cycle lane runs along Cours Lafayette and then Rue du 4 août 1789, recently extended to cross the ring road and then the canal, and reach the campus via a track on Avenue Gabriel Péri or by taking the C27 rue Paul Teste / rue Cuzin.
Estimated time: 25 minutes from the station.

>> From the Brotteaux district and the center of Villeurbanne

Cross the tracks via rue Récamier / rue des Emeraudes. A cycle path runs along boulevard Emile Zola (Charpennes - Cusset), then crosses the ring road and the canal.
Estimated time: 25 minutes.

Alternatively, bike lane rue Gabriel Péri / Avenue Salengro from Charpennes, crossing the ring road and canal via a bike path rue de la Feyssine, or with cars pont de la Croix-Luizet, then rue Lucette et René Desgrand, north of St-Jean, rue Ernest Renan, finally Promenade Lénine from place Guy Môquet to Mas du Taureau.
Estimated time: 25 minutes

Alternatively, cross Parc de la Tête d'Or and Campus de la Doua to Pont de Croix-Luizet.

>> From the banks of the Rhône and the peninsula

Join one of the above itineraries.
Estimated time: 40 minutes.

Take the cycle path along the banks of the Rhône and the Parc de la Feyssine to the Croix-Luizet bridge.
Estimated time: 45 minutes.
